Basic material for Hot Printing: Foil and Type or Engraving. For efficiency, you may need the following accessories:
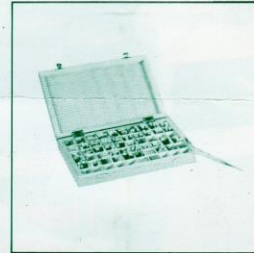

Spacers (blank types used to fit between words)

Lead Rules (metal stripes that are used to increase the space between lines)

Removable Type Holder (to accommodate and preserve set-up Type)
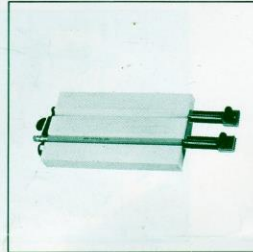

Wooden Type Tray With Cover (recommended with each type set to keep your type assorted) Tweezers (for handling individual letter)
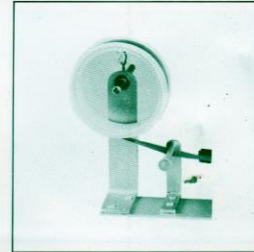

Guide Rule For Engraving

Extended Printing Table (can replace Printing Table. Articles of letter size can be prostrated)

Pen & Pencil Holder (for holding pen and/or pencil to be stamped)

Ribbon Holder
